

IHTA MINUTES
May 21 2024
Horse Camp Pavillion, ISRA

Started at: 6:06 Attendance: Maggie VanDyken, Mickey Dawson, Nancy Simmonds, Jennifer Ross, Arrienne Crandell, Beth Stein, Lea Burger and Kristie Walls were all present. Tara Sowa and Chris Blievernicht were absent and excused.

Treasurer's Report: Maggie presented and report was accepted. Ending \$12,543 last month. This will be reduced shortly by the \$3,604 cost of the first batch of 14 new stall fronts. We are ordering 16 more for the remaining stalls and four more campsites (8 stalls) we will build with the removed front panels.

Merchandise Report:

Membership Report: We are up to 69 memberships, 97 total members.

Trevor:

DNR sign shop projects are delayed by statewide sign audit. Trevor is ordering locally made Manure Responsibility (20) Signs for Corrals, and one identifying the west side staging. He is also going to laminate two signs for the Phase 2 path encouraging usage. We are looking at new signage for the Cart Trail.

Also making temporary signs to "stay off grass" for the FTR lunch area.

Events:

Workbee - May 20 - Successfully set new front panels on 7 sites, cleared path to vault toilets from the pavilion site.

FTR - 6.8.2024 lunch will be pulled pork, chips, and cookies. Water will be supplied.

Shirts are being ordered now.

CCO - 10.5.2024 questionable.

Unfinished Business:

Entire barrel needs to be replaced for the Push Barrel. Park Staff will do this.

Corn Hole boards? Decided to order inexpensive ones to see if they get used. If they go over well - we'll go from there.

New Business:

Approved the expense to order 16 panels, 4 red, 4 green, and 8 black.

Jennifer is investigating cost of replacing tires on our trailer. Need tire covers also.

Adjourned: 8:50
